Won't Follow Advice After Paying For It.

In a recent article a prominent physician says, "It is next to impossible for the physician to get his patients to carry out any prescribed course of hygiene or diet to the smallest extent; he has but one resort left, namely, the drug treatment." When medicines are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach & Liver Tablets, should be employed. Their use is not followed by constipation as they leave the bowels in a natural and healthy condition. For sale by W. E. Pelham & Son.

Put Up the Test.

We back up all we say about "Clifton" flour. Back it up, first with our goods, and second, with our guarantee. We have said a good deal about "Clifton" in the last few years and especially in the past few months, since we enlarged our capacity and improved our plant. We have made some pretty strong statements about the quality of "Clifton" flour. If we can prove all we say, you can hardly afford not to use "Clifton." Come in under our guarantee and put us to the test. Bransford Mills, Owensboro, Ky.

Rheumatism Cured After Fourteen Years of Suffering.

"I have been afflicted with sciatic rheumatism for fourteen years," says Josh Edgar, of Germantown, Cal. "I was able to be around but constantly suffered. I tried everything I could hear of and last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured. I am happy to say I have not since returned." Why not use this liniment and get well? It is for sale by W. E. Pelham & Son.

Policeman Franklin Exonerated.

A few weeks ago charges were preferred against Policeman Franklin and he was summoned before the council to answer the charge of insubordination. When the time set for trial arrived no witnesses appeared and Alderman Scholtz, Mayor pro tem, announced that owing to the fact that a full council was not present and that no witnesses had appeared in the case, that Mr. Franklin was exonerated from any charges whatever.

Policeman Franklin is a good officer, and his many friends will be pleased to hear that he has been exonerated. We state the above, for the fact that it had been pretty generally circulated that charges were hanging over this affair.

No Loss of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for years, and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to three people who could go no farther, and they are at work again this morning. H. R. Phelps, Plymouth, Oklahoma. As will be seen by the above the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this Remedy in your home. For sale by W. E. Pelham & Son.

Card of Thanks.

We desire to express our most heartfelt thanks and appreciation of the kindness of neighbors and friends and also the service of his kind doctor in the long and lasting illness of our dear little child, Clinton, who was ill for fourteen months. It seemed that the neighbors and his physician never tired coming and doing for him. They were faithful to the end. His physician spent many hours with him, in whom he put so much faith. And we thank the neighbors for their many nice presents which they gave him and be so much appreciated. We appreciate these deeds of kindness and love more than words can tell and only assure these friends that their kindness will not be forgotten by the family.

FIRE AT KINARD'S.

Yesterday morning about 1 o'clock the store of Gary & Copeland at Kinard's, was destroyed by fire.

When the fire was discovered it had gained such headway that nothing could be saved.

The total loss, counting building and stock of goods, which was general merchandise, was between \$1,200 and \$1,500. They had insurance amounting to \$800.

Messrs. Gary & Copeland have no idea how the fire originated. There had been no fire whatever about the building to their knowledge, hence they are at a loss to know how the fire started.

The insurance they have is with a company that is represented in Newberry by Capt. A. P. Pifer.

DeVORE—LOMINICK.

A Beautiful Marriage at O'Neill Street Church.

Wednesday evening at 8:30 o'clock the O'Neill Street Methodist church was the scene of one of the most beautiful and excellently executed marriages ever seen in that church.

The contracting parties were Mr. Frank P. DeVore and Miss Mamie Benlah Lominick, second daughter of Mr. Henry Lominick.

The church had been very prettily and appropriately decorated for the occasion, and the scene was indeed a pretty one.

The beautiful but simply marriage ceremony was conducted by Rev. D. P. Boyd in his usual happy and impressive manner.

The attending couples were:

Mr. W. L. DeVore with Miss Josie White.

Mr. B. B. Hallman with Miss Maggie Hutchinson.

Mr. Jno. Wilson with Miss Lula Dickert.

Mr. Neel W. Campbell with Miss Alice DeVore.

Mr. J. L. Burns with Miss Cora Carter.

His pilgrimage on earth was short just thirteen years and three days. The bereaved family have the sympathy of the writer.

Our new metal U. S. Mail boxes have arrived and are up ready for business.

We have been waiting for Philos or some one else to write up the Zion Children's Day of last Saturday, but see nothing, so we will have something to say of what we saw and heard and did: The exercises of the day were under way when we arrived and the strains of sweet music greeted us as we got in sight of the church. Our custom is to always go in church if we have to stand. The large church was filled to its utmost capacity.

By peeping from side to side I was able to be seated in the rear of the church amongst pe' buckets. We were so infatuated with the sweet music that the odor of paint didn't disturb us. After some well rendered recitations by children, dinner was announced. The custom seemed to be to have family tables placed under large oaks. We had the honor of being invited to dinner by several, but following a good rule we accepted the first one and was hospitably served at the table of Brother Creighton Dominick. The table fairly groaned from the weight of good things of the blessings of God. After an intermission of one hour we reassembled to the church to hear more sweet music and nice recitations by children. When the program was completed Rev. W. A. Lutz made a most excellent address to the Sunday school. Next was Rev. J. S. Abernethy, editor of the Prosperity Hawk Eye, who made a good talk to the young men and young ladies. We heard favorable comments upon his remarks. The benediction was pronounced by Rev. Lutz.

Is Golf Catching?

on to popular favor? It seems to be. A noticeable increase in sales of Pain-killer comes from golf districts. The reason for this is clear, as Perry Davis' Painkiller is the oldest and best remedy extant for sprains, strains, bruises and soreness, all of which are of common occurrence, either in vigorous play or through accident. Everywhere the standard liniment and balm.

AN UNUSUALLY SAD DEATH.

Dr. Andrew L. Longshore Has Passed Over the River and is at Rest—A Promising Young Life Cut Short—Buried at Trinity by K. of P. and Red Men.

The many friends and acquaintances of Dr. Andrew L. Longshore throughout the county were pained to learn on Tuesday evening that death had claimed him as its own.

Dr. Longshore was 33 years of age and fell as a victim of that dreaded disease typhoid fever.

After several years of study he graduated in medicine in 1893 from the Baltimore Medical College, located near his old home in the county to practice his profession, where he succeeded in building up a nice practice and planted himself in the hearts of the people.

In January of this year he moved to this city, and had already established a large practice and was fast building a reputation as a successful practitioner. He had become acquainted with all our people and he had made friends of them all. He was large-hearted, noble and charitable, and was liked most by those who knew him best. He was a peaceable, enterprising and progressive citizen; a good and generous neighbor, and a kind and affectionate husband, devoted to his family and his profession. His future was indeed bright, but his work is done and he has passed to his reward.

He was married in November, 1899, to Miss Emma Riser, daughter of Mr. W. Riser, and she with a bright and beautiful little daughter of only six months, survive him.

His remains were laid to rest under the shade of the trees Wednesday afternoon in the beautiful burying ground at Trinity Church the church of his parents. The burial services were conducted by the pastor Rev. D. P. Boyd, after which the remains were turned over to the Knights of Pythias and Improved Order of Red Men, he being an honored member of both orders.

The burial service of both these orders were beautiful and impressive and were conducted in a touching manner by the presiding officers.

Both orders, the Knight of Pythias and the Improved Order of Red Men turned out in a body, and large delegations from both orders attended the burial at Trinity Church.

The active pall-bearers were: From the Knights of Pythias, Messrs W. W. Spearman, G. F. Wearn and J. W. Reeder. From the Red Men, Messrs. Van Smith, Cole L. Bleasie and John W. Earhardt.

The large attendance at the funeral but emphasized in what high esteem Dr. Longshore was held by the people.

His family have the sympathy of their many friends throughout the county in this their sorest trial.

A Gentle Hint.

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingled in a single day—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boschee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. Croup, Whooping Cough, Pneumonia, Sore Throat, Hoarseness, Asthma, Bronchitis, Hemorrhages, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you.
